Thank you, Ms. Megha!

I need only computer system (without viruses), LCD and internet connection (for accessing journal databases). Dates are fine with me as these are not affecting my teaching at SCIT and I have yet not got any other appointment.

Laptop is not requires as I will use virus-less desktop of SIIB and my pen drive. No other arrangements are required for the session. I will plan for MCQ based evaluation and get back to you on that.

Thanks and Regards,
Urvashi Rathod
