### Students Feedback for design and review of syllabus

We at SIIB, believe in the process of a quality feedback from all our stakeholders and therefore have a robust system of transparent mechanism for conducting feedback. After taking the feedback on a regular basis, we analyse it and suitable action is taken on it, wherever applicable. We also conduct Academic Review committee monthly meeting.

#### Summary of Feedback Analysis and Action Taken:

Sr. No	Particulars / Action Point	Action Taken
1	Increase in the number of live industry expert interactions and case studies	Industry Guest sessions increased and more case studies included in subjects
2	Business Analytics, Business Statistics with R should be taught in the 2 <sup>nd</sup> semester instead of 3 <sup>rd</sup> semester	Students were explained the importance of keeping the same in 2 <sup>nd</sup> semester for their better understanding
3	Demand for a Marketing club came up	Student driven 'Unbounce' newsletter and marketing club begun for both the batch

### Employers Feedback for design and review of syllabus

We at SIIB, believe in the process of a quality feedback from all our stakeholders and therefore have a robust system of transparent mechanism for conducting feedback. After taking the feedback on a regular basis, we analyse it and suitable action is taken on it, wherever applicable.

Our recruiters are one of the major stakeholders and receiving feedback from them regularly, gives us their valuable insights in to what they would perceive as good management employable candidate and what is it that the pulse of the industry demands with reference to job profiles. One of the best ways to achieve this is through their feedback on our curricula. This year's inputs from our esteemed employers were about increasing duration of the Internship to more than 2 months.

Sr. No	Particulars / Action Point	Action Taken
1	As per Deloitte, candidates to be provided with more case studies	Included in curriculum
